We warrant our hood against defects in materials and workmanship under ordinary residential use for one (1) full year from the date of original retail purchase. This limited warranty applies to any repair and /or replacement parts. This limited warranty is not subject to improper installation, accident, misuse, neglect, fire or other external causes, alterations, repair or commercial use.

REFRIGERATION and WINE & BEVERAGE CENTRES

Aviva refrigerators, wine cellars and beverage centres carry a two (2) year limited warranty on both parts and labor. Aviva warrants for two (2) years, to the purchaser of every new unit, the cabinet and all parts thereof, to be free from defects in material or workmanship, under normal and proper use and maintenance service as specified by Aviva and upon proper installation and start-up in accordance with the instruction manual supplied with the Aviva unit. Any parts covered under this warranty that are determined by Aviva to have been defective, within the above said period, are limited to the repair or replacement, including labor charges, of defective parts or assemblies.

In addition to the 2 year warranty period stated above, Aviva warrants its hermetically sealed compressor to be free from defects in both material and workmanship, under normal and proper use and maintenance, for a period of an additional 36 months (a total of 5 years on hermetically sealed compressor). The above said extended compressor warranty applies only to hermetically sealed parts of the compressor and DOES NOT apply to any other parts or components, including, but not limited to, cabinet, paint finish, temperature control, refrigerant, metering device, motor starting equipment, fan assembly, or any other electrical component, etc.
